Kat The Legend Of Gnawbonia

In the great city of Catifornia, the Meofia are by far the most feared of all the felines. At home, their baby sister Kat is enslaved under lock and key. Done with the constant abuse, she escapes, embarking on a perilous journey far beyond the land of cats. Lost at sea, Kat is captured by a ruthless gang of notorious pirate dogs and forced to the depths of the ocean in search of treasure, where she discovers an ancient city, lost in time. Here, Kat comes to terms with who she truly is gaining the courage to fight for her life and freedom, to fulfil an ancient prophecy that she inevitably finds herself entwined with.
