

Plants At Your Place

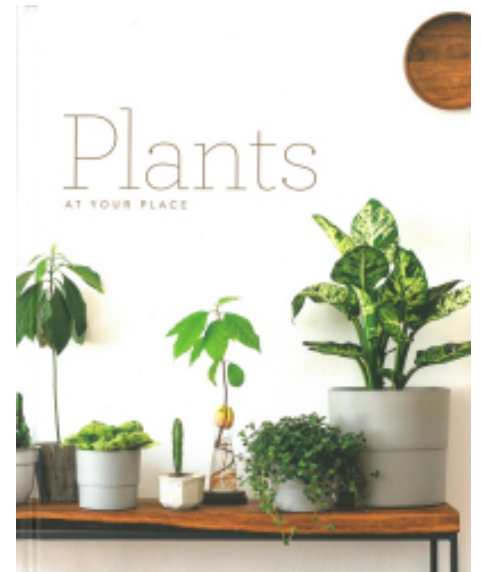

by

Plants At Your Place

Want to get the hottest style accessory of the moment at your place? Get Plants. Transform your home into a jungle thick with Swiss cheese plants, fiddle-leaf figs, rubber plants, succulents, cacti and air plants. Make a statement with a feature ponytail palm or olive tree in your lounge room. Let devil's ivy run wild around your bookcase, or a string of pearls tumble from a macrame planter. Build your own terrarium or propagate your own plants. Go for it. Houseplants will bring structure, character and joy to your home. And whatever your vibe, be it coastal, minimalist or urban, they will bring your home to life.
