by SMITH, SEAN

Adele

In Adele, bestselling biographer Sean Smith talks to those close to her as he follows her astonishing journey to fame that began on the gritty streets of Tottenham. Through compelling new research and interviews, he reveals that there is far more to Adele than the superstar we all think we know. He uncovers the story of her complex family relationships; the ill-starred love affair between her mother and father; her devastation at the untimely death of her grandfather; and her seemingly unpromising future in a gang-ravaged area of South London. She found salvation at the BRIT School before a series of unhappy love affairs provided the inspiration for her record-breaking albums.
