

Evolution The Triumph Of An Idea

by ZIMMER, CARL

Evolution The Triumph Of An Idea

This remarkable book presents a rich and up-to-date view of evolution that explores the far-reaching implications of Darwin's theory and emphasizes the power, significance, and relevance of evolution to our lives today. After all, we ourselves are the product of evolution, and we can tackle many of our gravest challenges - from lethal resurgence of antibiotic-resistant diseases to the wave of extinctions that looms before us - with a sound understanding of the science.

"Gloriously clear ...
lively ... as thorough as
it is graceful. This is as
fine a book as one will
find on the subject."
