Flowers At Your Place

Flowers are beautiful and they make us happy. Pops of colour, bursts of fragrance and a reminder of the gifts of mother nature, flowers add style and bring joy to a home. It's no wonder we love them. This book introduces over 50 varieties of flowers, both fresh and dried, with tips on how to grow and source the freshest and the best. Learn how to display and care for them in your home, with instructions on creating artful bouquets worthy of the best florist, or enjoy the many floral craft ideas in this book.
