Becoming Forrest

The remarkable true story of an unrivalled journey to recreate the greatest run in film history 15,621 miles, five-times across the United States. Becoming Forrest is the incredible story of Englishman Rob Pope, a veterinarian who left his job in pursuit of a dream - to become the first person ever to complete the epic run undertaken by one of Hollywood's most beloved characters, Forrest Gump. After his momma urged him to do one thing in life that made a difference, he flew to Alabama, put on his running shoes, and sped off into the wilderness. His remarkable journey covered 15,600 miles, the distance from the North to the South Pole and a third of the way back. Over a grueling 18 months, braving injuries, blizzards, forest fires and deadly wildlife, he crossed the United States five times.
