

What Eden Did Next

by O'FLANAGAN, SHEILA

What Eden Did Next

Five years after the death of her firefighter husband, Eden knows better than anyone that life can change in an instant. Now, instead of the future she had planned with Andy, she has Lila - the daughter he never got the chance to meet. And instead of Andy, she has his family. Then Eden meets someone. Someone she knew before Andy, before Lila, before the tragedy. Someone who reminds her of how she used to be. But Andy's mother has other plans. And Eden is facing an impossible choice. One that could tear a family apart. Honest and emotionally gripping, What Eden Did Next is an irresistible, sometimes heart-breaking, ultimately joyful, novel of love, loss - and finding your own way to happiness.
