History Of The World Map By Map

Explore the history of the world in unprecedented detail with this ultimate guide to history throughout the ages. Maps don't just show us where to go, but also where we've been. If you're interested in finding out more about the biggest events in world history, then this book all about history of the world is perfect for you! This stunning history book for adults starts with the evolution and migration of our oldest ancestors out of Africa. You can then look up maps about the Greece and Persian War, the Mongol Conquests, Medieval Europe's trade routes, and the rise of the Ottomans. Explore maps about the colonisation of North America, the scientific revolution, Napoleon's advances, and Britain's control of India. Then uncover the history of later centuries, such as the Age of Imperialism, the American Civil War, industrialised Europe and the transformation of Japan.
