

Chameleon Body The

by SINCLAIR, NICHOLAS

The Chameleon Body

A photographic record of contemporary fetishism by the distinguished portrait photographer Nicholas Sinclair. The highly charged characters who people the pages of The Chameleon Body have adopted an array of differing degrees of bodily metamorphosis: from minimal facial piercings to more extreme and defiant acts. All of them, however, bear witness to the body's capacity for change and transformation: this is the theme of The Chameleon Body.
